Volume 10, Issue 4

July/August 2007

ISSN 1531-7137

'Mardi Gras in Jackson' is almost here!

Final preparations are in the works for the upcoming **2007 Utley Family Reunion**, to be held in Jackson, TN, on **Saturday, July 28**. The reunion will be at the Old English Inn with the lunch buffet served at noon. There will be time before the meal to visit with relatives, admire Utley family photo albums and memorabilia, and have group photos taken.

The award-winning Cajun Cookers have a wonderful menu planned for the reunion lunch.

The banquet room will be decorated in Mardi Gras colors of purple, green and gold. Family members may indulge

their Mardi Gras fantasies and wear costumes. Or you can wear one or all of the Mardi Gras colors.

Our generous relative will be paying for the entire lunch buffet. Please return your registration form by July 19. We have to turn in a definite head-count for food by that date. After July 19, they may not be able to add more people to the lunch list.

If you find that you are unable to attend after making reservations, please let us know. If we turn in a definite number, that's what the hotel will charge us, even if half that number eats the meal. We appreciate your help with this.

Menu for Lunch Buffet

- Garden Salad
- Bacon-wrapped Chicken
- Pork Loin
- Green Beans
- Cream Corn
- Baked Potato Casserole
- New Orleans Bread Pudding
- Rolls and Butter
- Iced Tea and Water

Photos for PowerPoint

We still need family photos for the 2007 version of the Utley Family PowerPoint. We'd like to have photographs of every family member. If you have school photos, senior photos, church directory photos or even candid shots, send them in. You can email them to me at JUtleyMail@aol.com or

mail them to 590 Wallace Road, Jackson TN 38305-2839. I'll scan photos and return them unharmed.

Everyone who contributes photographs will receive a DVD or VHS (your choice) copy of the program.

Start digging through those photo albums and

photo storage boxes, and send in your best photos. With your help, this will be the best presentation yet!

Cousin Spotlight: Earldine Utley Carver's Family

Earldine Utley was the third child and second daughter born to **John Prentyce** and **Annie Bernard Utley**. **Earldine** was born on March 18, 1931. On April 16, 1946, **Earldine** married **Jack Leroy Carver** in Corinth, Alcorn County, Mississippi. **Earldine** and **Jack** had three children: **Richard Lynn "Rickey," Deborah Kay "Debbie,"** and **Michael Wayne "Mike."**

Our Cousin Spotlight focuses on their two sons, **Rickey** and **Mike**.

Richard Lynn "Rickey" Carver

In response to a questionnaire, Rickey wrote:

"My full name is **Richard Lynn Carver**. I'm called **Rickey**.

I was born September 14, 1950, the first of three bundles of joy to **Jack** and **Earldine Carver**, in Jackson, Tennessee. I was told that mom was pulling in catfish just weeks before I was born and that I was born during the Jackson fair. I guess that's why I still like fried catfish and fair food!

One of my first memories is that mom and dad made arrangements for me to ride the bus – by myself – from our home on Holland Street to Mid Town Motel where dad worked. I remember wearing my new leather jacket for this special trip to town. Also, I remember seeing the big fire in downtown Jackson during this time.

Christmas Eve was always spent at **Mammaw** and **Pappaw Carver's** and Christmas morning was always spent at **Mammaw** and **Pappaw Utley's**. Christmas morning was always special and I always looked forward to the fruits and nuts that Santa left.

A memory of elementary school: I remember studying about Australia and the thrill of throwing a boomerang. I also remember reading Old Yeller and then getting to see the movie.

Vacation memories: As a family, we would go camping at Pickwick and pitch our tents for a week at a time. We enjoyed fishing during the day and playing games at night. We would wake each morning to the smell of breakfast cooking on a Coleman stove. Fun times! Wonderful memories!

My first paying job was when I was either 13 or 14 years old. A farmer who became sick and was unable to get his crop in turned this responsibility over to me. Thus, the tools of my trade were 12' cotton sacks. I remember picking cotton all week and then taking the cotton to the gin on the weekends.

I have had only two jobs as an adult – that of a bricklayer and my present job of sales. I worked five years for Bobby Day in Jackson, Tennessee, learning the masonry trade. I then owned my own masonry business for another five years before going to work for my father-in-law, Ralph Easterday, and his manufacturers' rep agency in 1978. With eleven full-time employees – five support personnel and six salesmen, Kathy and I consider it an honor and privilege to manage a company that is celebrating its 40th anniversary in the HVAC/R industry this year.

My formal education was high school graduation and one semester at Jackson State. My favorite subject in school was history and my least favorite was English.

I first met my wife, **Kathy Diane Easterday**, in 1970 when she and my sister, **Debbie Carver Pumphrey**, were roommates at Union University in Jackson, Tennessee. After dating for four years, **Kathy** and I were married June 28, 1974, in Memphis, Tennessee. My dad, **Jack Carver**, and **Joe Littlefield**, pastor of White Station Baptist Church in Memphis definitely tied the knot tight as **Kathy** and I will soon be celebrating our 33rd wedding anniversary. I married my soul mate. **Kathy** has been involved in every aspect of my life. She does

(Continued on page 3)

(Continued from page 2)

more than just support – she rolls her sleeves up and gets involved all the way. Our life together has always been a team effort.

Special memories of my Utley grandparents: Having lived upstairs at **Mammaw** and **Pappaw Utley's** home for about five years, I have a lot of special memories. Three specific ones come to mind, however – squirrels, hard work, and Monday Night Football.

Squirrels – If you were kin to **Pappaw Utley**, squirrels had to be at the top of everyone's list or so **Pappaw** thought. One morning, **Pappaw** came upstairs and informed me that the pecan tree was full of squirrels. Without missing a beat, off to the roof we went, determined to make short work of those pests. The police, however, soon cut short our work. After a long discussion with the police, **Pappaw** asked what the fine was and paid it on the spot. Little did we realize that what had started out as an exciting mission would so quickly become mission impossible!

Hard Work – While working for **Bobby Day**, learning the masonry trade, I lived with **Mammaw** and **Pappaw Utley**. Although I worked long, hard days laying bricks, it never failed that each day I would always be greeted by **Pappaw** with yet another job. From working in the garden, to killing squirrels, to picking up brick pavers from Royal Street, **Pappaw Utley** always seemed eager for me to work!

Monday Night Football – One of my favorite memories of **Mammaw Utley** was watching Monday Night Football with her. If I was not already downstairs, **Mammaw** would always holler for me to come down that it was 'time for football'. We always had popcorn during Monday Night Football.

Kathy and I have one daughter, **Jennifer Leigh**, who was born October 24, 1977, in Jackson, Tennessee. **Jennifer** and **Bernie Gladden** were married May 20, 2006 in Knoxville, Tennessee.

Kathy and I have taught five year old children in Sunday school for over twenty years (or should I say, they have taught us!). We have a variety of interests: Grizzlies basketball and University of Memphis football games, plays and musicals at the Orpheum and concerts at the Canon Center. We are also having our 1964 Mustang (the car that we dated in) restored and look forward to getting it back soon.

If my home caught on fire and I could go back in to retrieve only one thing (assuming all people and pets were safely outside), I would choose the big green chair in our bedroom because that is the chair that I was sitting in when I proposed to **Kathy**. Her answer was 'YES' and the rest as they say 'is history'!

If I could give advice on how to live a happy life, I would say: try to daily live a Christian life, respect others, and always look for the positive in every situation."

Rickey and The Flying Turtle

"**Rickey Carver** went to work for **Ralph Easterday** and Associates in 1979 selling fireplaces and then air conditioning products. He said he

would chase any order. A story he tells on himself and everyone still laughs about he calls "The Flying Turtle." A man called from Birming-

ham saying he wanted to buy three truck-loads of Sundial air conditioning equipment. **Rickey** busted his buns to get down there to meet the

man in a restaurant to finalize the order. Upon talking with him, **Rickey** learned he had no company, no address and the man made up the name and logo for his company drawing on a napkin a turtle with wings. The name of the would-be company was "The Flying Turtle." No orders ever came of it but a lot of

laughs have!

Rickey was appointed Sales Manager in 1996 and then President in 2006.

Kathy Carver manages the office in Memphis, doing accounting and the many tasks **Rickey** gives her as he runs out the door and into the territory.

These talented, dedicated people have won many awards for the company, the latest being the 2006 DiversiTech Rep of the Year.

"We don't rest on our laurels," said President **Rickey Carver**, "but just keep going and strive for greatness."

From Tennessee HVAC Insider, March 2007

Michael Wayne "Mike" Carver

In response to a questionnaire, Mike Carver wrote:

"My name is **Michael Wayne Carver**. I'm called **Mike**.

I was born on Thursday, March 13, 1958 in Jackson-Madison County General Hospital, Jackson, TN.

Daddy [Jack Carver] was licensed and ordained to preach 3 days after I was born. **Mother [Earldine Utley Carver]** and I were in the hospital because the doctor thought it best if **Mother** didn't go.

An early childhood memory is we helped some church members with picking their cotton. My brother would throw cotton bolls or dirt clods at me.

I remember most everybody gathering together as a family to celebrate Christmas.

One elementary school memory is every morning we would have to go to the book store to get the supplies that they needed. Most everybody would develop a cough and have to get Ludens' Cough Drops Cherry Flavour since we could not have candy in class.

Vacation memory: We went to Paris Landing in Paris, Tennessee. **Daddy** and **Debbie** laid out to get a tan. They fell asleep and got cooked.

Mike Carver in uniform

They got sick that night as it got cooler outside.

My first paying job was U.S. Army Private, radio teletype operator.

My longest employment as an adult was 14 1/2 years at Brother Industries, Bartlett, TN. Warehouse supervisor. I supervise the East Dock receiving parts and inventory control.

I graduated from Glen Moore Academy in Memphis, TN, on May 14, 1976. My favorite subject in school was history. My least favorite

subjects were math and science.

I first met my wife, **Linda Carol Hammers**, in December 1963.

Daddy accepted a call from New Union Baptist Church to be their pastor. My wife's family went to church at New Union. I was 5 years old and she was 6 years old.

We were married on April 25, 1981 at Midway Baptist Church in Whiteville, TN, by **Rev. Jack Carver** (my father) and **Rev. Claude Hammers** (her father). We forgot her suitcase in her Daddy's car and had to find them to get it back. Also we stopped at Pizza Hut in south Jackson to eat and the manager gave us our pizza free after he heard that we just got married.

Special memories of **Utley** grandparents: When **Mother, Uncle J.P., Aunt Eloise** and **Uncle Bobby** gave **Mamaw Utley** a TV for Christmas. **Mamaw** was very excited about the TV. One year, **Mommy, Daddy** and myself took **Mamaw** and **Pappaw** to the Smoky Mountains on vacation. We stopped at a rest stop. **Pappaw** went down a trail and when he came back there was a bear about 10 feet from him coming up to where we were.

My children are **Heather Michelle Carver**, born on September 3, 1983,

Mike Carver, cont.

Mike , Heather, Jessica and Linda Carver

in Jackson-Madison County General Hospital, Jackson, TN; and **Jessica Marie Carver**, born on October 12,

1988, in Baptist East Hospital, Memphis, TN.

I served in the U.S. Army from 1976 through 1980 in Alaska and Colorado, and from 1985 through 1986 in Germany.

I am a member of Dixie Hills Baptist Church in Bolivar, TN.

If my home caught on fire and I could go back to retrieve only one thing (assuming all people and pets were safe), I would save pictures of my family, because there is nothing greater than the family and memories of the family.”

Earldine, Heather, Linda, Mike and Jack Carver at 2006 Utley Reunion

‘My Dad’ by Heather Carver

“I was wanting to write about my dad. He is a special person in our lives. He has always been a Christian man to lead his family the way it should go. He has always been there for us. We would not know what to do without him. I have had some really good moments with him and he

has always helped my mom when she needed him most. God put a special man in our lives when he gave us our dad. We love you dad. Always remember your baby girls.

Love **Heather** and **Jessica** and your wife **Linda**”

'Papaw' by James Bolin

James Bolin composed and read this at the funeral of his grandfather, James Allen Utley.

Papaw was born James Allen Utley June 2, 1929

He attended school in Lavinia, TN until the 9th grade when he decided it was time to serve his county.

At the age of 16 he joined the United States Navy he had to lie about his age in order to join the service.

He served four years in the Navy receiving three medals, a good conduct medal, a World War II Victory medal, and an Occupational Medal.

Upon returning home from the war he met and married Evelyn Carden.

They had two children Pam and Patsy.

The two remained married 47 years until mamaw passed away from cancer May 9th, 1998.

Papaw never would be the same from that point.

May 9th, 1998 my grandmother was singing the hymn, I'll Fly Away, these were my grandmother's last words heard by my mother.

May 20th, 2007 the closing hymn at my church was, I'll Fly Away; ironically we arrive home to discover papaw had just passed away.

At some point we must all fly away to a land where joy shall never end and meet with the Master, family and friends.
