## From the President's Fireside: Thoughts & Plans

2007 CWS President William (Bill) J. Wallace

Laptop computers and wireless networks are great. They allow me to sit by the fireplace to write this. Much better than being chained to a desk!

Just after Christmas CWSW lost longtime member, former president and Lifetime Achievement Award recipient Charles Bearman of Valdosta, GA. All who knew Charles were saddened by his passing and the loss of his support to the Society. Please see Flowers of The Forest on Page 2 and on the CWSW web site (clanwallace.org)

The 2007 events season is off to a good start. Last month Norma and I enjoyed our first Robert Burns Birthday celebration with the High Desert Celtic Society of Central Oregon. William H. Wallace of Mesa, AZ did his usual fine job making Wallaces welcome at the Arizona Scottish Gathering and Highland Games in late February, and at the Wallace barbeque hosted by his family on Saturday evening. On the topic of games and conveners, please make it a point to stop by the Wallace tent at your games and thank the convener for his work in providing a welcome rest stop and place for fellowship.

Conveners, please update The Director of Convener Affairs and the Web Master

concerning the games you will convene in 2007 – names of event(s) and dates. The information is needed so other members have access to current information about upcoming events where there will be Wallace tents. Jean requested this information from you some time back.

Lisa and her committee have been working hard to complete plans and cost figures for the September CWS Gathering in Williamsburg, VA. See the last page of this newsletter for the final cost data. Remember, you must pre-register to receive the official sign up sheet. Don't miss what promises to be a great event; get your pre-registration \$10.00 to Bob Wallace, our treasurer, soon.

This summer Norma and I will make our way to the 2007 Gathering in Williamsburg with our 5<sup>th</sup> wheel trailer between May and September. We intend to host a Wallace tent at the Illinois Saint Andrew's Highland Games in Oak Brook, Illinois on 15/16 June where the CWS has not traditionally had a tent. Illinois and Wisconsin members, please stop by to say hello. Traveling between Bend, OR, Chicago and Williamsburg we hope to meet Society members at the places we set up our rig for a few days.

Elsewhere in this newsletter there is an update concerning the first survey of new members. Fellowship with other Wallaces was reported to be the primary motivator to joining the Society. Conveners and events such as the Wallace barbeque I mentioned above provide that fellowship.

As Wallaces we know that The Patriot's mother was a Crawford or Crauford. Early on Charles B. Wallace, a co-founder of CWS, made overtures to the Crawfords. Apparently the Crawford organization became defunct before a relationship could develop. However, with the approval of your board of directors, discussions with the recently formally organized

## Creating Truly Beautiful Wallace Art

### California Member Creating Works of Art

Lloyd Wallace of Roseville, CA is a portrait painter who has branched out to create beautiful paintings of the Wallace clansman's badge on a background of Red Wallace Tartan.

The detail work involved in duplicating tartan in oil paint on a large canvas is tremendous. Lloyd created the paintings as gifts for his sons. The photo shows the artist and his granddaughter in front of one of the framed paintings.

Lloyd is considering offering prints of the paintings to CWS members and has had masters made for printing.

Tentative pricing is as follows:

20"x30" unframed print @ \$300 + S&H  
 18"x24" unframed print @ \$200 + S&H  
 16"x24" unframed print @ \$100 + S&H

## Flowers of the Forest: Past President Leonard "Chuck" Bearman

It is with great sadness that the Executive and Board of Directors announces the passing of Leonard "Chuck" Bearman of Valdosta, GA.

Affectionately known to all as "Chuck", he passed away on 27 December 2006.

He will be greatly missed by his loving wife, Alta, and his daughter, Linda, as well as a

large circle of people who felt honored that Chuck considered them his friends.

Chuck devoted his life to government service. After graduation from Tri State University with a degree in civil engineering, he served two years in the U.S. Army. Following his Army service, Chuck moved to the Army Corps of Engineers as a civil service employee and worked for the Corps for 35 years, including a number of years of overseas service in Austria and Italy.

Chuck also had a passion for flying and earned a private pilot's license, using it to good effect as a member of the Florida Coast Guard Auxiliary, assisting in search and rescue operations and drug smuggling interdiction. Other favorite hobbies of Chuck were bowling and golf.

Chuck was a Master Mason.

Chuck's real passion was his Scottish heritage. It was in this that he had a significant impact on everyone that is proud to be a Scot. Among his many accomplishments:

◆ Served as a Board of Directors member and past president of Clan Wallace

Society Worldwide, for which Chuck received the Clan Wallace Lifetime Achievement Award.

- ◆ President of the Alexandria Virginia Highland Games, which under Chuck's stewardship went from one to two days;
- ◆ Life member of the St. Andrews Society of Washington D.C.;
- ◆ Assisted with the formation of the Council of Scottish Clans and Associations (COSCA);
- ◆ Charter member and founder of the Tartan Educational and Cultural Association (TECA);
- ◆ Served as a director of the Tartan Authority Scotland;
- ◆ Founded the St. Andrews Society of Valdosta, Georgia;
- ◆ Served as a board member of Clan McIntosh;

Chuck especially prided himself on helping others, especially young people. He also had a wicked sense of humor that took no prisoners.

He will be greatly missed.

## New Committee Exploring Venues for 2009 Gathering

Although the 2007 International Gathering of Clan Wallace has not yet happened, a committee has been formed that will rec-

ommend to the Board of Directors potential locations for the 2009 IGCW.

CWS Treasurer Bob Wallace of Dayton (NV) chairs the committee of three members: Ben Howard of Chandler (AZ), Car-

men Wallace of Red Deer (AB) and Garrett Whiteside of Herndon (VA).

This committee will report its short list of recommended sites for consideration at the 2007 ADM.

## Report of the 2006 Annual Directors' Meeting of Clan Wallace

**Friday, 13 November 2006  
Rio Rancho, New Mexico**

President John R Wallace opened the 2006 Annual Directors Meeting (ADM) of the Clan Wallace Society Worldwide at 7:35PM. The following Board Members were present; John R. Wallace, William J. Wallace, Robert B. Wallace, Kay F. Cayler, Marcus J. Wallace, Jean R. Wallace, and James L. Wallace. Proxies were received from the absent Directors

The Minutes of the 2005 ADM were read and approved. The Treasurer's Financial Report for the year ending 30 September 2006 was accepted unanimously.

There were 103 ballots cast for election of Directors. Elected were Kay Fulfs Cayler, Robert Wayne Jones, Elmer Inman and Lisa Deiss (new). The election of Directors was certified during the meeting. We now have 1220 members, 19 Annual, 360 Council, 838 Life and 3 Honorary.

While far from perfect, our mailing database is greatly improved. Elmer Inman mailed out 2540 paper copies with less than a 1% error rate. Marcus Wallace e-mailed over 400 of just the Winter Newsletter with less than 30 errors and some of those have been cleared up. Verifying the database is an ongoing struggle.

Chair Jean Wallace reported that there are now over 70 Convenors. She showed the Board two (2) vinyl, William Wallace prints from the Smith Museum in Sterling. It was voted to make these available for purchase through a link directly to the banner manufacturer on the CWSW Website. (This has not been done.) The Convenor Chair will handle all reprinting of the books we publish in the future. They will also be offered on CD.

The Secretary mailed nomination forms and ballots to all Council Members. There continues to be some discrepancy in the names and addresses but fewer letters were returned in 2006 than in the previous year. Secretary expenses totaled \$610.17. The Board accepted the report.

In an effort to verify current addresses and maintain contact with our membership, it was voted to send an annual first class informational mailing to all Life and Council Members.

The President will write the first letter in

early 2007 for processing no later than 1 March 2007, and will contain a 2007 Gathering Flyer in addition to the President's Letter. The Secretary will handle the printing and mailing of the letter. Newsletter Editor Marcus Wallace will provide the labels to the Secretary.

Chair John Wallace reported that one Lifetime Achievement Award was presented to Past President Tom Wallace at a reception in Gatlinburg, Tennessee, on 12 November 2005.

One appointment Certificate was issued to Tom Wallace of Canada, and 6 Rewards were issued during the year. The expenses for 2006 Recognition Program were \$113.52, and the revenues were \$6,450.00. The report was accepted unanimously.

John Wallace read the written report for Canada from Advisory Director Tom Wallace, which was accepted unanimously.

The Wallace 700 Club in Aberdeen Scotland has announced that they will hold the Aberdeen Wallace Commemoration annually, and a parade was held on Wallace Day 2006. John Wallace also stated that the group wished to have the President of CWSW serve as a Trustee on their Board. Earlier in 2006 the Board approved this recommendation, and President John Wallace currently serves in this position.

John Wallace reported for Legal Chair JoAnne McIntosh. Amendments and changes to the CWSW Articles of Incorporation have been filed with the State of Texas, which is where the organization is chartered. The report was approved. JoAnne's report also stated that there is ongoing research concerning the use and duplication of the Braveheart poster at Clan Tents and other Clan Wallace functions. She requests help with any contact information available for Randall Wallace, so that she may contact him regarding this issue. John agreed to assist JoAnne in this contact.

EVP William J Wallace led the discussion on the "official" database. The Board unanimously agreed that; a) the Official CWSW Membership Database is the Membership Database maintained by the Membership Chairman, and; b) the Newsletter Editor maintains a Mailing List that contains a subset of data extracted from the Official CWSW Membership Database.

John Wallace presented a report about the projects in Scotland to which CWSW has either donated money, or has been asked to donate. John reported that the Elderslie Wallace Yew Tree Project in Renfrewshire, Scotland, is now completed and was dedicated on Wallace Day 2006. At the time of this report, he had received no response regarding the offer to assist in the repair of the Robroyston Wallace Monument Fence.

The Board voted to invite Clan Wallace Chief, Ian Francis Wallace and his wife, Teresa, to attend the Gathering. If the Chief would not be able to attend, it was voted to ask his son, Andrew, and a guest to attend. CWSW would pay for any expenses, not otherwise covered by the Williamsburg Scottish Festival Group. John Wallace noted that a contract had already been signed with Best Western Hotel to serve as Host Hotel for the event, and that Wallace will be honored Clan at the Games/Festival.

The Board confirmed its earlier discussion to hold the 2007 ADM in Williamsburg during the International Gathering. It was voted to set aside \$1,500 for the Gathering Planning Committee to use for deposits and necessary pre-meeting set up expenses. These funds will be reimbursed to the Treasury from Gathering receipts.

The Board agreed that when scheduling future ADMs, they would endeavor to schedule the meetings just before a Games/Festival at which a non Board Member CWSW Convenor will be representing the Society. The ADMs will be held on the Thursday evening and Friday before the Games/Festival.

It was agreed to offer the vacant Publicist Position to new Director Lisa Deiss. It was further decided to offer the Historian Position to Garrett Whiteside. :

The President reported that the New Amended By-Laws were signed in early 2006, issued as required, and placed on the Website for the benefit of the membership.

It was agreed that CWSW would continue to use the Odom Library for its records repository. It was pointed out that only the President could authorize removal of any material from the Library.

President John Wallace reviewed topics to

## High Desert Pipes & Drums Contributes to Success of CWS ADM

IPP John R. Wallace, President Bill J. Wallace, and Past President Marcus "Jim" Wallace hamming it up at Albuquerque Balloon Museum during the CWS Annual Meeting.

The Annual Directors Meeting was held Friday and Saturday October 13 and 14, 2006 in Rio Rancho, New Mexico. This year's meeting was originally scheduled in conjunction with the Rio Rancho Highland Games and Gathering, but after the selection of the place and date, the games were rescheduled and later cancelled.

We were not aware of all of the factors surrounding the decision, but since we had published the place and date, we decided to go ahead with the meeting. A side benefit of this decision was that the meeting coincided with the Annual Balloon Festival in Albuquerque, which was next door. The weather was great with cool mornings and warm days.

We were very fortunate in being there for a benefit show and dinner for the High Desert Pipes and Drums (HDP&D), our official pipe band. The HDP&D will return to Scotland this year for competitions and need all of the financial help they can get. The Benefit was held in the Police Lodge on Jefferson Street. Col. Craig Chamberlain USA (Ret) was the Master of Ceremonies. The guests of honor were three veterans of WWII, Patrick Wright, Sye Feldman, and Soloman Barth.

The HDP&D performed first with traditional music that you would expect, and some great solos. This is a very talented band.

We had dinner and were entertained by students from the Albuquerque Academy under the direction of Katie Harlow performing as "Mind the Gap". They performed a selection of traditional and original material in the Celtic tradition. They

were great.

After the dinner the individual members of the HDP&D band had a talent show. Not what you would expect from members of a pipe band. No Siree Bob. These people put on a show that was worth the price of admission all by itself. The show ranged from original arrangements on the marimba, to pantomime, to Elvis Presley, to Frank Sinatra sound alike signing "The Lady is a Tramp" by Chris Cahoon. They were all good and you begin to understand the musical talent that makes up this band. They are "world class."

Spouses of members of the Board visited museums in the Albuquerque area during spare time. The balloon festival activities were not a distraction as they were early in the morning or late in the evening. All in all it was both a productive meeting and a very enjoyable weekend.

Donations to the HDP&D Scotland trip can be made through our Rewards Program or directly to the band at:

be discussed on Saturday, and the meeting was adjourned Sine Die at 10:00 p.m.

### Saturday, 14 November 2006 Rio Rancho, New Mexico

The proposed 2007 CWSW Budget was presented by the Treasurer and approved with two changes; \$1500 for the 2007 Gathering Planning Committee expenses and \$2000 for the Secretary expenses to cover the cost of the additional mailings.

John gave Wayne's Report showing that the following people were nominated to the 2007 Board positions. William J. Wallace for President, Wayne Jones will serve one year as EVP, Kay Fulfs Cayler for Secretary, and Robert Wallace for Treasurer. The Board voted by acclamation to elect these officers. It was also voted to reappoint JoAnne McIntosh as the Legal Commissioner.

The new member survey was sent to 100 new members and 38 responded. The results of that survey are reported elsewhere in this newsletter. The number one motivator/benefit was fellowship with other Wallaces. Several also expressed an interest in genealogy. It was voted to approve the recommendations to conduct a similar survey annually. Richard Wallace of Arkansas will conduct this survey in 2007.

During the years, CWSW has reprinted several books pertaining to the Wallace family.

It was proposed that a panel review current listed Wallace publications and check other possible titles to see if some should be discontinued, and if others should be added. It was voted to name John and Marcus to serve on the panel. Until this panel has met, reviewed, and reported, the Director of Convenor Affairs will continue to provide the books currently available to Convenors and individuals.

It was voted to consider giving the Clan Wallace (third edition) by Charles B. Wallace to each new Life and Council Member. Final decision will depend upon an economic impact analysis to be completed by Wayne Jones.

The 2008 ADM should probably be held in the Midwest. Jean Wallace will do some research and let the Board Members make their suggestions and vote on the locations. Future ADMs will be held on Thursday evening and Friday so that Directors can enjoy the Games at the host location.

It was voted to reconfigure the Convenor Kits. The Director of Convenor Affairs will publish details of these Kits in the near future. The basic Kit will be provided to new Convenors free for a modest shipping fee. Additional items will be available for

purchase by individual Convenors.

Bill Wallace presented a very thorough review of the Society and possible growth strategy for the future.

It was voted that the Newsletter Editor could best decide the size of newsletter based upon the information available and special needs of the Society. Consideration should be given to ways in which to recognize long-term Convenors, and those who convene at multiple games. Clan Wallace of New Zealand has contacted CWSW. While they are not members of the CWSW, there was a consensus that we should be in communication with them and supportive of their efforts to promote the Wallace history. John will ask JoAnne about the possibility of having an Affinity Group relationship.

Bob & Lois are working on 2008 trip to Scotland which will cover some of the territory south of Edinburgh & Glasgow. If interested let them know.

President John Wallace expressed his special thanks to all Board Members for their service and support during his Presidency. The Board thanked John for all the work he has done and the changes he has made.

Adjourned Sine Die at 4:30 p.m.

#### 6<sup>th</sup> Annual Sycamore Shoals Celtic Festival

Sited deep in the beautiful mountains in Eastern Tennessee, this small but excellent festival honored Clan Wallace during 9-10 September last year and Past President John R. Wallace was the Honored Guest for the event weekend. Hosted at the Sycamore Shoals State Park near Elizabethton, TN, the festival was opened with a luxurious Friday Night Torchlight Ceremony. Saturday and Sunday were filled with good food and vendors, 15 colorful Clan and Society Tents, excellent Celtic Entertainment, Pipes and Drums, and children's activities. North Carolina Convenors, Marcia and Russ Harper hosted the Clan Wallace tent. During the weekend about 15 Wallaces from TN, NC, VA and KY visited the tent and enjoyed the activities. On Sunday, Dr. Steve Lawhorn, Vice President of the Upper East Tennessee Celtic Society, joined Clan Wallace Society as a Life Member. ## Convenor's Corner

With all our games starting to get in full mode I hope that everyone has all they need to convene at your games. I have heard from a few of you regarding the

games where you convene. It would be a great help to the board and our webmaster if we could let him know where and when you are convening this year.

Also, if you have members of Clan Wallace sign up at the tent in visiting with them ask if they have any new information that the membership chairman might need, or if they now have e-mail. This will save the society money when having to mail out our newsletters.

Good convening to all. And look forward to meeting many of you in Williamsburg.

activity in their areas. According to the CWS articles of incorporation and by-laws, activity is to be organized and conducted locally as much as possible. The board and leaders can help with ideas and encouragement to local leaders in getting more CWS activity started. Step up and be a CWS leader.

This year Richard Wallace of Little Rock will conduct another survey of new members. A survey of long-time members is also in the works for 2007.

## Members' Survey Produces Interesting Results

By William J. Wallace

Thanks to all who responded to the first CWS survey of new members. Especially to those who took the opportunity to update their contact information. The survey was primarily intended to identify how new members learn about CWS, to identify membership benefits that are motivators to membership, and to solicit your suggestions and comments.

One hundred surveys were mailed to members in Canada, the U.K., and the US. Forty two members (including one member in Scotland) responded between March and November 2006. That is a phenomenal response rate to a survey! Key survey results are: Family members are our most effective recruiters. Most respondents reported they were recruited by family members.

The opportunity for fellowship with Wallace cousins is considered the most im-

portant benefit by respondents. Next in importance was our award winning newsletter. Suggestions made in survey responses have been reviewed by or are under review by the Board.

One somewhat troubling finding was that respondents reported little interest in leadership opportunities in the Society. To remain a healthy organization that attracts and retains members the CWS needs periodic infusions of 'fresh blood' and ideas.

Please seriously consider becoming a leader in the organization - on the board of directors, as a convenor, as an organizer of informal local Wallace activities. In whatever role you feel you can best contribute, step forward and let us know how you want to help.

That last topic leads right into a comment that was repeated by some respondents concerning a dearth of Clan Wallace

## Escorting the Haggis: A Service to Utah Scots

*This article appeared in the Desert News by Rodger Hardy.*

PROVO — The star of the traditional Robert Burns Supper held at Brigham Young University's Wilkinson Center was, of course, the infamous haggis. The dish was brought in on a silver platter accompanied by a bagpiper and two members of the Scottish-American Military Society with their swords drawn. It was then paraded around the hall to a standing audience. Burns' address, "To the Haggis" was given by Eric Gilzean preceding a toast.

Traditionally made from a sheep's heart, lungs and liver with oatmeal, spices and other ingredients, then broiled in the sheep's stomach, haggis is an acquired taste, said Bob Gallimore, spokesman for the Utah Scottish Association. (So it was with trepidation that I took my first bite. "Not bad," I thought. Being a fourth generation

honoring the poet whom many scholars say gave birth to Scottish literature. It was his dying wish that friends gather and have supper to remember him. The suppers continue, more than two centuries later, emcee Dodd Greer said.

The BYU supper drew 350 diners, the largest attendance in Utah history, said chairman Trena Barney. Professors Gary Hatch and Karen Pierotti of BYU's English department presented the humorous Toast to the Lassies and Toast to the Laddies after a traditional Scottish roasted lamb chop dinner prepared by BYU Food Services.

The ideals Burns advanced weren't just Scottish ideals, Hatch said. They were also human values.

Three-time U.S. National Scottish champion dancer Kelsey Crane did a sword dance and highland fling and was presented with the annual "MacGregor of the Year Award." BYU interns to the Scottish Parliament Study Abroad program; Kendra Keller, Jeanine Plamondon, Adam Wardel, Jessica Best and John Maher; recited Burns' works.

Other entertainment included Scottish bands Rusty Reel and Caol Ida. The evening con-

cluded with an auction to raise money for upcoming Scottish association events, a dessert of BYU's new oat praline and caramel ice cream with berries and Burns' "Auld Lang Syne."

Scot I'd had it before, just didn't know it by that name.)

Haggis has many names, Gallimore said, most of them not printable in a family newspaper.

Some 20,000 Robert Burns Suppers were held around the globe last week,

## Will Ye Nae Come Away? The 2007 International Gathering of Wallaces

### Join Us at the 2007 Clan Wallace International Gathering

If you haven't done it already, mark your calendars and make plans to attend the 2007 International Gathering of Clan Wallace Society Worldwide to be held in Williamsburg, Virginia September 26<sup>th</sup> to October 2, 2007.

This year's Gathering is being held simultaneously with the 2007 Williamsburg Scottish Festival's Diamond Jubilee Celebration in which Clan Wallace has been selected Honored Clan. The Scottish Festival and its exceptional Balmoral Reception are separate from the Gathering and their costs will be borne by those wanting to attend. The Festival's Clan Wallace Convener,

James Schmeltzer, will act as our Host for the Gathering.

The Gathering schedule has been created to allow plenty of time for Historic Triangle sightseeing as well as attending workshops of Genealogy, Whisky Tasting, Coat of Arms and Heraldry at the host hotel. A Welcome Reception and Farewell Banquet have been arranged at one of Williamsburg's most distinguished hotels, The Williamsburg Hospitality House. A special Commemorative Souvenir Gathering Pin is in production and a weeklong Raffle is planned.

Jamestown, Williamsburg, and Yorktown – three places in Virginia that lay claim to where America was born. 400 Years ago

in 1607 the first permanent English settlers arrived at Jamestown. At Williamsburg, the ideas of independence and revolution took form. The siege of Yorktown in 1781 was the last major battle of the American Revolution. In this Historic Triangle, Europeans, Indians, and Africans came together, and the result was the United States of America.

Centrally located between Richmond and Virginia Beach, Virginia's Historic Triangle is a travel destination unlike any other place in the country, with endless options for the entire family. Whether your interest is history and archaeology, outdoor fun, spas and golf, or thrills and chills at state-of-the-art theme parks, you will find what you're looking for – all against a backdrop of charming historic towns and breathtaking natural beauty. I would urge you to plan your trip to include spending a few extra days visiting these incredible locations, as there will be much to see and do as the entire region celebrates America's 400<sup>th</sup> Anniversary.

The Registration Form will be available for mailing soon. To be on the Gathering Mailing List to receive all the information for this excellent event, you need to send your non-refundable payments of \$10 per person (checks made payable to CWSW) to Treasurer Robert B. Wallace at 1500 Riverpark Parkway, Dayton, NV 89403 soon.

See you in September in Williamsburg

1 egg, beaten

Pre-heat oven to 350 F.  
Thaw and unfold puff pastry sheet. Place pie pan upended on pastry and cut pastry

until it is just larger than the pie pan. Set aside cut pastry. Any off cuts of pastry can be used to decorate the pie.

In large pan, melt butter on low heat. Add the chopped chicken breasts and chopped leeks and cook on medium heat for 2 – 3 minutes. Add flour stirring thoroughly and cook for another 2 minutes. Pour milk and chicken stock into mixture and continuously stir for 5 minutes or so until the mixture gets thick and creamy. Salt & Pepper to taste. Pour mixture into buttered deep dish pie pan.

Place cut pastry on top of pie mix lightly pressing the edges into the dish. If using any left over pastry to decorate the pie, a little water or milk will help your decorations stick to the rest of the pastry. Brush the top of the pie with a beaten egg and place in prepared oven for 35 minutes or until the pastry is risen and golden brown.

May the roof above us never fall in, and may we friends gathered below never fall out. . . . [signed] Lisa

## Clan Wallace Society Seeks Whereabouts of "Missing" Members

Over the years, the Clan Wallace Society has maintained accurate contact information for each of its 1,200 plus members. Occasionally, however, members overlook notifying the Society of changed circumstances and/or relocation.

Inaccurate contact information has prevented receipt by mail of official Society communications, which include newsletters, official correspondence and other hard-copy materials.

In recent weeks, the Board of Directors is currently conducting a Reconciliation, and we have re-established contact with many members that have been missing for quite some time. These members will begin receiving official communications from us immediately.

If you see your name listed to the right, or if you have any information on any name(s) listed at right, please contact Wayne Jones as soon as possible. The Society requires the following information:

- φ Name
- φ Old Mailing Address
- φ New Mailing Address
- φ Phone Number
- φ Email Address

You can forward information to Wayne at the home or email address provided, or log on to [clanwallace.org](http://clanwallace.org) and make the changes on the Change of Address form online.
