Dear Chev. Alastair:

As you intended, your YouTube video of July 2, 2016 and subsequent postings have attracted much attention. While free speech in our country is cherished, your vicious personal attacks against certain individuals are not, and have no place in our fraternal organization.

Consequently, the Grand Priory Council convened on January 6, 2017 and confirmed that your offensive statements breach our Canadian Oath **"to support and defend the Order and my brother Knights, sister Dames, and Companions, doing nothing harmful or injurious to the welfare of either"** as well as our bylaws by **"carrying out any conduct which may be detrimental to the Corporation (Order) as determined by the Board (Grand Priory Council).**

Further, during your Oath when you were Invested, you pledged to do so **"freely and without mental reservations, in full knowledge that violation of this Oath will result in my exclusion from the fellowship of the Order, removal of my name from the roster, and forfeiture of all rights and privileges."**

As a result, it is the unanimous decision of the Grand Priory Council to exclude you from the Order, remove your name from the roster and declare that you are deemed to have forfeited all your rights and privileges.

You have twenty days to respond in writing to the Grand Prior regarding this decision. If nothing is received by the end of the period, January 31, 2017, the decision of the Grand Priory Council of Canada will be put into effect forthwith.
