

## RESOLUTION TO CLAN LENNOX

REETINGS TO EDWARD J.H. LENNOX CHIEF OF CLAN LENNOX AND TO HIS COUNCIL

**Whereas:** Walter Spruell I served faithfully as Seneschal of Malcolm V Earl of Lennox and upon the Spruell coat of arms bore the rose of Lennox as a symbol of this bond;

**Whereas:** Walter Spreull I and his heirs did receive from the Earls of Lennox and become Lairds of the estates of Dalquhurn and Dalmuir in Dunbartonshire and Coldoun in Renfrewshire in acknowledgement of such service;

**Whereas:** It is stated that Walter Spreull III fought beside Robert the Bruce and the Earl of Lennox at Bannockburn in 1314;

**Whereas:** The heir of the estates, John Spreull, fought and perished in 1513 at Flodden with King James IV, and alongside the Earl of Lennox and his men, and alongside the Chief of Clan MacFarlane and his clansmen;

**Whereas:** The Spreull family maintained possession of Dalquhurn, Dalmuir, and Coldoun as Lairds until 1622 when the family sold the estates and some emigrated to lands of the Earl of Lennox in Ireland. Over time members have emigrated to the four corners of the globe;

**Whereas:** Today the Spruell descendants and associated families maintain warm relations with members of Clan Lennox and related Clan MacFarlane and seek to further those ancient ties;

**Therefore, Be It Resolved:** We respectfully request that the Chief of Clan Lennox kindly extend formal recognition as a Sept of Clan Lennox to the descendent, related or associated families of the ancient Spreulls, be that relationship evident through surname, as represented by the surnames listed below and the many other variations that exist; through documented or otherwise understood ancestry or relationship, including marriage or adoption or bestowal to an adoption, formal or otherwise; or through genetically evidenced relationship. In turn, we will provide our support to Clan Lennox and its efforts in growing a modern clan association for the understanding and celebration of shared history, and for friendship and comradery. We also affirm and will maintain our current affiliation with your kin, Clan MacFarlane, to help provide further bridges between all our families reflecting our sharing of history and lands through the Earls, Clans, Lairds and Peoples of Lennox.
