CHRONOLOGICAL LIST OF THE WRITINGS OF ROBERT LOUIS STEVENSON.

THIS catalogue is not in any sense a bibliography, but is intended to show as completely as possible the sequence of all Stevenson's printed writings. When any piece had been written or even begun long before it was printed, both dates have been given; otherwise it must be assumed that the manuscript went to press without delay. For obvious reasons no unprinted work has been included, nor have I cared to include ephemeral articles of no importance or trivial letters to newspapers.

I have used a table drawn up by Mrs. Thomas Stevenson, and am also under special obligation to Mr. Colvin's invaluable notes prefixed to the volumes of the Edinburgh Edition, but in every case where it was possible, I have verified the references anew. I have also, after my list was completed, seen the bibliography by Mr. E. D. North in the (New York) *Bookman* for September, 1896: and since the second edition of this book was published I have had the advantage of the full *Bibliography of Robert Louis Stevenson*, by Col. W. F. Prideaux, C. S. I., published by F. Hollings, 1903.

Capital letters denote the first publication in book or pamphlet form; italics the place of first magazine or periodical publication, and also the collected volume in which the piece was afterwards included.
