A Key to the Genealogy of Judge H. P. Montgomery:

Take No. 1585, page 134. Davis Montgomery; for his immediate ancestors see No. 1041, on same page, in or near center of page, and we find that his father was Nathaniel C. Montgomery. Now turn back to No. 1041, in the margin, page 110, and we see that the father of Nathan C. Montgomery is Lewis Montgomery No. 378, in center of page. Now turn back to 378 in margin, page 79, and we find that the father of Lewis Montgomery is John Montgomery No. 98, in center of page. Now turn back to 98 in margin, page 62, and we find that John Montgomery No. 98, on page 62, is a son of John No. 28, on page 61. Now turn to No. 28 in margin, on page 56, and you will see that John No. 28 is a son of Robert Montgomery No. 12, in center of page 56. Now turn to No. 12 in margin of page 55, and you will see that Robert is a son of Samuel Montgomery No. 10, page 55, and that Samuel is a son of Robert No. 4 on same page, and that Robert No. 4 is a son of William No. 1, page 54. You can take any name in this genealogy and follow it out on the same line.

Now reverse this and take William No. 1, page 54, and you will find his children, commencing with Robert No. 4 (see page 55), his children, and John No. 28 is Samuel, the known ancestor of this branch. Follow up the entire Fourth Generation, page 55, down to No. 19, and you have his children; the Fifth Generation from No. 19 to No. 69 (on page 60), and you have his grandchildren; the Sixth Generation to No. 275, page 74, and you have his great-grandchildren; then the Seventh Generation from No. 275 to No. 886 (page 103), and you have his great-great-grandchildren; then the Eighth Generation from No. 886 to No. 1544, page 132, and you have his great-great-great-grandchildren; then the Ninth Generation from No. 1544 to No. 1630, page 136, and you have his great-great-great-great-grandchildren. (See Appendix, page 422.)
