## THE LESLIES ARE MAKING HISTORY

The Clan Leslie with the help of the Clan Leslie Society International, the Clan Leslie Society of Australia and New Zealand and some key Leslies and friends have accomplished something that no other Clan has been able to do. The Clan Leslie will be installing a striking monument to replace the Leslie's Cross of 1411 and there will be a Dedication Ceremony and a Clan Leslie Dinner to celebrate the 600<sup>th</sup> anniversary of the Battle of Harlaw. Those attending the Clan Leslie Dinner and taking the Leslie Tours will have a chance of a lifetime to be immersed in Leslie history.

This family tree, published by Colonel Charles Leslie, 26<sup>th</sup> Baron of Leslie, in Volume 1 of his History of the Family of Leslie in 1869, is not as detailed as those we are used to on Ancestor.com, but it clearly shows the relationship of Sir Andrew Leslie, 3<sup>rd</sup> Baron of Balquhain who lived from 1399 to 1412, to Bartholomew.

Bartholomew's Descendants as pictured by Col. Charles Leslie, 26<sup>th</sup> Baron of Balquhain, in his History of the Family of Leslie, 1869, Volume 1. (With some minor modification by William Leslie.)

The family tree chart shows how the Balquhain Leslies descended from Bartholomew, and will help you to keep your Sir Andrew Leslies straight. The Charters to which Colonel Leslie refers for Malcolm, Norman and Norino are those confirming the ownership of the Leslie lands and the position as Constable of Inverurie. Sir Norman was the first to carry the surname of Leslie and he was granted Fythkill which is now Leslie in Fyfe. Norman's son, Sir Andrew, brought the Abernathy and Carney families into the Leslie family. Sir Andrew was one of the great Scottish Barons who signed the "Declaration of Arbroath" in 1320, in which the Scot Barons declared to the Pope their right to be free of English rule and asked that King Robert Bruce be released from excommunication.

The fifth son of Sir Andrew and Mary Abernathy was George Leslie who was given the estate of Balquhain in the Garioch by his father. He became the first Baron of Balquhain and was succeeded by his son Hamelin. Sir George was buried in 1351 in the churchyard of Logyburno. Sir Hamelin and his wife Ann Maxwell had a son Andrew who became the third Baron of Balquhain in 1378. Sir Andrew and his sons were at the centre of the feuds with the Forbeses and he occupied the old fortress at the peak of Bennachie when the Earl of Mar pursued him. He kept the fort as a place of security.

Colonel Leslie states that in July 1411 Sir Andrew Leslie was the Master of the Horse for the Earl of Mar and one of his chief commanders at the Battle of Harlaw. In this desperate action, Sir Andrew lost six sons, in commemoration of whom a cross was erected on the field of battle and called Leslie's Cross. In another feud with the Forbeses, Sir Andrew again withdrew to his fortress on Bennachie and with his friends and vassals came down from his stronghold and gave battle to his opponents on January 22<sup>nd</sup> 1429 at Braco, about two miles from Bennachie. Sir Andrew was slain. Sir William Leslie succeeded his father as the fourth Baron of Balquhain.

Several Clans as well as the Provost and the Baillies of Aberdeen were involved with the Leslies in the historic Battle of Harlaw on July 24, 1411. The battle took place on the north side of the River Urie, between Bennachie and Inverurie. It was a bloody conflict between Donald, Lord of the Isles, and Alexander Stewart, Earl of Mar supported by the local families and the Provost and Baillies of Aberdeen. The Tour of the Leslie historical sites will include the sites shown on the first page, the Chapel of the Garioch, the ruins of Balquhain Castle, the Harlaw Monument and the Battlefield, the hill of Bennachie, St John's Church and Fetternear Castle as well as the Leslie Castles of Leslie, Warthill and Lickleyhead. Those participating in the tour will get a chance to immerse themselves in Leslie history by visiting these sites and talking to Leslies who have lived their lives with these Leslie monuments. The full list of historical sites to be visited is shown on the detailed sheet. The tour will include transportation to all the sights and events listed. As those of you who have signed up for the Leslie Tours know, this is a unique opportunity to live and learn Leslie history and to participate in making Leslie history by attending the dedication of the ruby red Leslie's Cross, commemorating the Leslies who fought in that battle which changed the course of Scottish history.

## **LESLIE TOURS - TRANSPORTATION AND COSTS, SUNDAY TO THURSDAY**

The following arrangements are being made for the Leslie Tours. The costs are based on the number of people who have indicated that they are going on the Tours, including Sunday to Thursday. The cost per person has been worked out at approximately £70 but this is dependent on the numbers being maintained. If the numbers of people were to increase, the cost per person would be appropriately decreased.

The Sunday Clan Leslie Dinner is £30 per person. This is the cost from the Caterer and is also a break even event. No part of the funds raised for the Monument and the Dedication Ceremony will be used for these events.

#### **A QUESTION OF DRESS FOR THE CLAN LESLIE DINNER**

Since many of the people attending this year's events associated with the Battle of Harlaw commencing 24th July, 2011 will be travelling from overseas, the question of dress code has been raised. Travelling, as most will be by air, with restricted baggage weight allowances will make it difficult to carry additional clothes especially heavy kilts etc.

When we organised the 1995 Clan Leslie Gathering here at Leslie all we asked was that those attending wear something with a touch of Leslie tartan. The touch of tartan could be anything from a piece of Leslie ribbon upwards and we do not wish to insist on formal attire, although some of the more local Leslies will no doubt feel disposed to wear their Leslie kilts and trews.

The only thing I would not wish to see at either the Church or the Dinner is people dressed in jeans. I do not think the above dress code requires carrying additional baggage. I look forward to meeting all those who will be attending the Harlaw events. Good wishes to you all and a safe journey to Scotland in July.

**David Leslie from Leslie**

#### **YOU CAN STILL MAKE PLANS TO ATTEND THESE HISTORIC EVENTS**

We would be happy to add anyone who would like to attend these historical events. You will be immersed in Leslie history in the heart of early Leslie lands and castles and meet the Chief of the Clan Leslie and Leslie Barons and Lairds. Please let me know now.

## TIME CAPSULE

We are asking for your suggestions for items to be included in the Time Capsule which will be installed as part of the Leslie's Cross. The Order of Service Booklet includes all the names of the donors as well as the Dedication Service and it will be printed on a special material to prevent its deterioration in the capsule. One of the things we thought of including was a set of 2011 UK coins. Electronic and photographic material is difficult and expensive to include.

## CLARIFICATION OF FUNDING FOR THE CLAN LESLIE DINNER

There have been one or two questions about the funding for the Clan Leslie Dinner. The funds raised for the Leslie's Cross will be used only for the monument itself, the time capsule and some small expenses related to the Dedication Ceremony. If there are any funds left over, we will get back to the donors to suggest an appropriate use for these funds. The costs of the Clan Leslie Dinner will be paid entirely by those attending; the cost is £30 and includes dinner and wine. The expense for the Leslie Tours involves hiring a bus to transport those who are participating in the tours from Sunday to Thursday and will be paid entirely by the people taking the tours.

## OUR TREASURED VOLUNTEERS

There are no words sufficient to thank our volunteers. Our Society depends entirely on volunteers, and their work is vital to our organization. Their commitment and generosity is the bedrock of our Society's survival and success.

Our shared Scottish heritage and interest in preserving it brings us together. Our volunteer positions range in the amount of work from demanding ones such as Treasurer, Secretary/Registrar and Publications Editor to just helping to spread the word about our Society and its purpose, and to encourage others to join. Our volunteers have fun putting on events such as hosting a CLSI tent at a Scottish festival to being the Chair of the International Gathering.

But there is an urgent need to bring more volunteers into the fold. New energy, new ideas and vitality will help to define our future. It is crucial that we maintain our momentum and growth. Don't be afraid to ask. Your contribution will help sustain a lasting legacy. To quote Sir Winston Churchill: "We make a living by what we do, but we make a life by what we give."

As an example, to get started in hosting a CLSI tent at a Scottish festival, volunteer to help a Convenor or tent host with setting up the tent, and also learn how to greet visitors and provide information about our Society. Learn how he or she maintains contact with members in the region. Observe other clan tents and see how they do it. It's not rocket science! If tent hosting is more than you want to do, consider researching and writing an article for our *Grip Fast Journal*.

In particular, we need volunteers for the following positions:

**Justiciar or Attorney.** In this case, you must be a licensed attorney at law.

**Convenor, Canada** (All Provinces)

**Convenor, Central Region** (Kansas, Iowa, Missouri, Minnesota, Nebraska, Michigan, Arkansas, Indiana, Wisconsin, Ohio)

**Convenor, Mountain Region** (Colorado, Utah, Wyoming, Idaho, Montana, North Dakota, South Dakota)

**Convenor, Pacific Southwest** (California, Nevada)

## MEMORIAL DAY - HONORING CLAN MEMBERS WHO SERVED IN THE MILITARY

I had a call from the Clans Coordinator (retired Marine) of the Costa Mesa Scotsfest. Since these Games are on Memorial Weekend, he always does a military honors thing and this year he wants to extend it to honoring clan members who served in the military during their lives, who have passed away since last Memorial Day.

He would want to know:

The person's name. Their service branch. When and where they served.

Anyone with any of this information, please contact : **Susan Abernethy** [sabernet@trexenterprises.com](mailto:sabernet@trexenterprises.com)

## 2014 HOMECOMING SCOTLAND

William; the Grip Fast is great—I really enjoy getting them. I wish my son, Andrew, and I could join you all next summer for the Harlaw dedication, but we went to Scotland this past summer and won't be able to afford another trip so soon. I hope there will be lots of pictures and videos posted on the Clan Leslie Society Facebook page.

Just a suggestion for the next issue—2014 marks the 700th anniversary of Bannockburn and I heard that there will be another Gathering of the Clans in Scotland to coincide with it. Hopefully, Clan Leslie will participate in the gathering. These events are far enough in the future that, if informed now, Leslies from all over will be able to plan and save to be there.

I look forward to meeting you some day.

## CLAN LESLIE ON FACEBOOK

Have you checked out our Facebook page lately? If you haven't, you're missing out on some great posts by Clan Leslie Society members, and other Leslies who are not members. You don't have to have a Facebook account to view the posts, events and photos, but you DO have to have an account to contribute to the page. If you're unfamiliar with Facebook, or if you've heard conflicting information about it, allow me to give you a little information about what it is. Facebook is a social networking web site that allows people to connect via short "posts" (a brief sentence about what you or your kinsmen are doing), photos, etc. You can even post videos to our Clan Leslie Society page. It does not take the place of our web site, or our newsletters, but is rather a compliment to each. Say, for example, you are hosting a Leslie event and you'd like to get the word out about

it. You can simply go to our Facebook page (via the link at the end of this article) and add a small blurb about the name, time and place of your event. After the event, you can upload photos or videos to show everyone what a great time the Leslies had. If you don't feel confident uploading your information to our page, simply email me the event or photos you'd like to add and I'll be happy to do it for you.

Our group page is checked almost daily by me to make sure there are no inappropriate entries or discussion topics. The main thing I need from other members, especially those not on the council, are their announcements for upcoming venues and festivals where Leslie tents or events will take place. This will eliminate guesswork as to where Leslie tents will be and encourage more people to come out and participate. Members can add their own information to the page, but most feel it's easier to send their announcements to me for inclusion to the list of

events.

The fact that members can add content to our page and really keep in touch instantly is a phenomenal thing. It's another way we can let people know we're here and that our society is active and fun. I think you will also enjoy all of the posts and photos from your fellow kinsmen.

To find or access the CLSI page on Facebook, simply Google "Clan Leslie Society International" and the fifth entry down is this: "Clan Leslie Society International/Facebook"

Clan Leslie Society International is the official Clan Leslie organization and your place to connect with Leslie kinsmen from around the globe.

[www.facebook.com/group.php?gid=155937880572](http://www.facebook.com/group.php?gid=155937880572)

Click on the link and you can access the page. To add comments or to connect with other Leslies that use the page, you need to become a member of Facebook. This is easy and free, just go to <http://www.facebook.com/> and fill out the brief information panel on the home page. That's it! Even if you don't want to have an actual Facebook page, joining gives you complete access to connect with other Leslies via the CLSI page.

## YOUR SOCIETY NEEDS YOU AND YOUR FAMILY'S STORIES

The Clan Leslie Society International is made up of a dedicated group of people whose main objective is to preserve Clan Leslie history and to create fellowship among members of this ancient and historic family. The publications of the CLSI, the *Grip Fast Online*, the *Griffin* and the *Grip Fast, Journal of the CLSI*, collect, communicate and preserve Leslie historical stories. The Society promotes Gatherings of Clan members so that they can meet their distant cousins, meet the Clan and Society leaders and share family stories. The Clan Society also provides leadership in preserving family history through the growing Clan Leslie Collection in the Library of the University of Guelph. The commitment to offer academic and Scottish arts studies scholarships has helped young Clan members to join in celebrating their heritage. Officers of the Society are joining the effort to make sure that Leslies killed in one of the most significant battles in Scottish history, the Battle of Harlaw, are not forgotten. The Society is active and vibrant and needs your participation.

The *Grip Fast Online* is sent to many individuals who have shown an interest in the Clan Leslie. We know that if you are reading this that you have an interest in the ancient and distinguished history of your family. Why not send us your stories and pictures and help expand and preserve the recorded history of the Society?

Check to see the vacancies where you can serve the CLSI and make a difference. Convenors are needed for various Regions in the USA and Canada. A Registrar/Secretary is needed and I could use help with our publications.
