

Utley Family Update

'Pirates of the Forked Deer' 2009

The **2009 Utley Family Reunion, "Pirates of the Forked Deer"** was held on **Saturday, July 25**, at **Premier Place**, in Jackson, TN.

The room was decorated with pirate posters, pirate treasure maps, pieces of eight, pirate parrots, and tiny treasure chests. Sue Bates had compiled a CD of sea shanties and pirate songs which played in the background

Before the meal at noon, we had plenty of time for visiting with relatives. Reunion group photos of the entire group, families, and generations were taken by **Lynn Williams** and **Brian Love**.

Rev. Jack Carver, husband of **Earldine Utley Carver**, led the group in the blessing. After a great buffet, **Glenn Rainey** welcomed family members to the 2009 reunion.

Family reports were given by **Richard Utley**, **Earldine Carver**, **Geraldine Rainey**, **Sue Utley** and **Martha Frances Bates**. **Anna Marie Deschenes** reported on her mission trip to Romania.

The group observed a moment of silence and silent prayer for deceased family members, **William Bolin**, husband of **Pat Utley Bolin**, and **Chuck Fourreau**, husband of **Karen Sladek Fourreau**. Photos of these two, accompanied with memorial candles, were on the Memorial Table.

After the meal and the program, everyone had an opportunity to visit, look at family photos, and sign the **Utley** quilt squares.

The **2010 Utley Reunion** will be held on **Saturday, July 24**.

On Sunday, August 30, 2009, the Parent Support Group of Madison Academic High School [Jackson, TN] held its launch party for its **Recipes & Remembrances Cookbook, Celebrating the People & History of Jackson High, JCM & Madison Academic**. At the launch party, guests were served a menu from the book's recipes. Jackson High and JCM memorabilia were on display, and the alumni met and talked over old times while purchasing their "memory" cookbooks.

One of the special guests, was **Wilma Craig Utley**, (widow of **J.P. Utley**), JHS Class of 1939, who represented the oldest class present for the launch. Pictured with her is Teresa Ide, who chaired the cookbook committee.

Jackie Utley recently completed the four-day Genealogy Consultant Program at the Daughters of the American Revolution (DAR) Headquarters in Washington, DC. While in DC, she and **Lynn** toured Ford's Theater, Peterson House, Arlington Cemetery, and the Smithsonian Museums. "We arrived on Saturday, Sept. 5, just in time to see the Edward Kennedy funeral procession. Later in the week, we toured Arlington Cemetery, and we were able to visit the gravesites of John, Robert and Edward Kennedy. **Lynn** had visited JFK's gravesite on his high school senior trip in 1964, just 6 months after the assassination. He was fascinated by all the changes in the past 45 years."

Cynthia Utley Wise reported that her brother, **David Utley**, broke his leg in a misstep off his porch. She emailed on August 26, "**David** had a very long surgery yesterday (his 6th). He was in surgery from 7 am to 8:30 pm last night! They moved tissue from another part of his body to his leg and did some reconstruction. They were to put in something called a pick (sp?). This is so that when he goes home he can administer his own antibiotic (through an IV type thing). Some of ya'll probably know more about this than I do. I haven't talked to **David** much yet. However.....I did talk to him briefly last night. I asked him how he got his cell phone in ICU and he said, and I quote, "Well, I don't know but I've got it in my hand right now." (slur, slur) I asked him if the nurse knew would she take it away, he said he didn't know but they hadn't caught him with it yet. I was cracking up. I think he called several people...Ya'll pray he keeps on healing."

Cynthia's son, **Matt**, had surgery on September 1 to repair an ACL tear.

Please keep **David** and **Matt** in your thoughts and prayers as they recover from these medical procedures.

On August 26, **Kate Utley Toon** emailed, "I just wanted to write you all to share what a special morning I had! I just

had an hour long (one-on-one) conversation/video conference this morning with Mike Barratt, an astronaut currently on the International Space Station. That's right, I called Space this morning.

I was requested to speak with Mike because my hardware (the Galley, that rehydrates the astronaut's food in space) was having some complications this previous week. So, yesterday I was notified that the Engineering Directorate wanted me to come up with a list of questions to ask the astronauts, and deliver the questions myself so I could get all of the information I needed to troubleshoot the problem.

It was so exciting, and I just wanted to share my incredible news. I will be getting a voice recording of the conversation....so later down the road I have proof for my bragging rights."

Sue Bates, wife of **Bobby Bates**, emailed on August 14, "Kevin Gillmore, husband of **Erika (Droomer) Gillmore** ships out for Afghanistan Monday, Aug. 18. Please keep him safe in your thoughts and prayers during his stay there. Had a great visit with cousins **Steve & Barb** and **Dave & Chris (McArthurs)** all during their stay the last week of July. Did some sightseeing including doing the Elvis/Graceland tour--a first for all of us and I would recommend it to anyone. A fun time was had by all!"

On August 22, she emailed, "Hey, would you believe that I gave my first hoof trimming lesson last week?!?!. Don't know if that's newsletter worthy or not but I'm pretty impressed that the guy wanted my advice and said that he learned after talking with me & watching me trim some! Worth mentioning that he spend big bucks for instructional books and DVDs by big name trimmers and still came away with new info! Frankly, I'm amazed that I've learned enough to be able to impart natural trim info to others now!"

On July 24, **Walter Torres**, husband of **Arlene Torres**, emailed, "I am a lobster! I gave archery "lessons" at a boy scout event all day Saturday and I didn't wear sun screen. This scout was NOT prepared! ;) **Justin** earned 3 more badges. This make 38 done. At this rate he will get all 120 before he's 16!"

He's SPL now and Star Scout. He's trying for Life by October. He's already wanting to plan his Eagle project!"
