

Domizio Cipriani, Grand Magistral Prior of the Principality of Monaco “Sovereign Military Order of Knights Templar of Jerusalem” in this book clarifies the true history of the Templars and the Rosicrucians from 1317 to the present day, following the teachings of Roger Caro and Pierre Phoebus, who have done considerable work in analyzing an innumerable quantity of parchments and ancient manuscripts. In the work some philosophical and alchemical knowledge of the Secret Order are revealed, today presented by the “Grande Maison Metropolitaine d’Initiation” in the Principality of Monaco. The aim is to clarify and give justice to the persecutions suffered by our predecessors and to convey their spiritual values in a more understandable way.

**DOMIZIO CIPRIANI** is a real estate developer and international financial advisor, born on 14 July 1969 in Milan. A semi-professional sportsman, he is a rally raid pilot, a martial arts master with three black belts in different disciplines, a yoga practitioner. He has always been attracted by the gnosis, he has recently created a think tank in collaboration with the institutions of Monaco for developing researchers in the field of quantum physics. He got to meet many teachers along the way, gaining considerable experience and being able to live the deep emotions that lead him to be thankful for every moment of joy that lives every day in harmony with the invisible universe around him.

He has published the following books: (in Italian) *Templar Order - Il cammino dei Templari - La Via verso la Saggezza; I Cavalieri Templari - Storia, segreti, filosofia, spiritualità; Le Prieuré de Sion, una scienza sociale; Atlantide, Prieuré de Sion e Cavalieri del Tempio*; (in English) *Templar Order - The Templar's Path - A Path towards Wisdom*; (in French) *Templar Order - Le Chemin des Templiers - La Voie de la Sagesse*.
