

**Gargunnock Village Cricket Club
(GVCC)
1983-2008**

This 25th Anniversary Booklet has been compiled to celebrate the life and times of, not only our nomadic seasons 1984 to 1989, but also our subsequent seasons based within Meiklewood Estate's magnificent rural setting close to Gargunnock Village.

We dedicate it to every person who has played in GVCC colours over the years, but especially to all the many men and women amongst us who have worked so conscientiously on and off the field in order that sound of leather on willow might still be heard midst the aged oaks that adorn our beloved 'MCG'. Among those committed sports-people, Derrick Forbes, William and Helen Scott, John Henderson, Graham Naris and Martin Everett deserve particular praise and thanks for their loyalty and diligence over the years.

The Formation of GVCC

The idea of forming a village cricket team arose in late 1983 from Kerr Henderson asking his father, John Henderson, if there was any possibility of playing real cricket in the village in addition to all the mini-practices they were both enjoying on the short strip in their side-garden at 1 Moray Place. John was delighted when his son made this request, as he himself had not only been away from playing County cricket for about sixteen years, but had also recognised that his fourteen year-old son was already showing considerable aptitude for the game.

Within a few days John had discovered from among his soccer pals in the village team that John Peek and John Lamond had played club cricket in their teens and were very excited about the notion of forming a club. They also knew that John Young in Broompark, and Richard Scott-Angell at the top of Main Street, were keen on the game. Thus, as the person with contacts in cricket circles and also experience of setting up new organisations, John Henderson set the ball rolling.

His first move was to take advice from a fellow village resident, his friend and former County captain, Derrick Forbes. That Derrick was the Deputy Lord Lieutenant for Stirlingshire, and also Chairman of The National Playing Fields Association, seemed very good reasons for seeking his counsel. Derrick was very happy to support the proposal, and, after reading a preliminary list of things to be considered, he agreed to Chair a Public Meeting with a view to it constituting a village cricket club. Indeed, he also accepted the suggestion that he could, if elected, take on the role of first Club Chairman of Gargunnoch Village Cricket Club. The meeting was attended by fifteen men and boys, and the Club was duly constituted, and a steering committee elected.

As ever, fund-raising became a priority activity over the winter months and to this end a Treasure Hunt around the village, a Jumble Sale, and several 'raffles' were organised with encouraging results. Practice facilities were sought and granted within the Primary School field. A local building contractor, Ronnie Carson, donated enough concrete slabs to provide a base for half the length of a practice strip, and some old rubber conveyor-beltting was also procured to minimise bounce. Cricket netting and poles etc. were purchased from 3-D Sports of Gloucester, as was basic playing equipment. Volunteers dug the necessary pitching area, in-filled it with sufficient sand, and then levelled-out the slabs there-on. Protection for the large rectangular 'in-line' school window was improvised by making two large wire-netted frames that could be hung/removed from hooks placed at intervals above it. Practices were started in April on Tuesday and Thursday evenings, and attendances of about a dozen or so potential players, men and boys, were commonplace until the July holiday period arrived.

Over the winter months John Peek had amazingly managed to arrange a provisional programme of over twenty mid-week and Saturday fixtures for summer 1984 ... all to be played, either on opponents' grounds, or ones hired at Williamfield, Bluebellwood or Gannochy ... the competitive element being Wednesday 20 over-a-side matches in the local Alliance & Leicester League. All club kit was stored and maintained by the Hendersons in their garage at 1 Moray Place, and, as very few players had cars, match transport was provided by John Lamond's large enclosed grass-cutters' van and either of two cars sometimes available.

Half-Yearly Meeting in the Church Hall on Wednesday 28th March 1984

The following summary progress report was given; GVCC had joined the newly formed Alliance Building Society Mid-week Cricket League to play Alva, Clackmannan, Kippen, St. Modan's, SCCC, BP, ICI, SCRFC, Westquarter. Other week-end friendlies were being arranged. Problems were encountered in making the Glebe suitable. Nets on a rubber-matted concrete slabs had been organised in the School Field from May onwards. Grants from the local and national Sports Council, the Gargunnoch Estate and proceeds from a Xmas Draw had raised £ 707. Membership had been set at £10 (full time employment), £5 (not in full time employment). Initial playing equipment was being purchased including nets.

AGM held in the Pavilion, Provost Park on 26th September 1984

Derick Forbes spoke of the remarkable achievements by GVCC in the summer of 1984 when 24 matches had been played in a sporting spirit which had drawn favourable comments locally and from further afield. Enjoyment of cricket had been clearly demonstrated as had improvements in individual skill and teamwork.

John Henderson deserved a special tribute for all his initiatives thus far and all should be aware how the ready availability of Williamfield could compensate at this stage for the disadvantage of having no home ground in the village.

John Gearing presented the financial report as follows;

Income £1221,11,...,Expenditure £ 708,60,.....Surplus £512,51

John Henderson in presenting his report paid tribute to the outstanding work of John Peek as Captain, Fixture Secretary and Match Secretary. 25 player had represented GVCC in the 24 matches played where 8 were won and 16 lost. In addition a GVCC Eight won the St. Modan's Tournament in early September.

APOLOGIES: D.P.Brown, J.Lamond.

OPENING REMARKS: Mr Henderson welcomed those present and outlined the steps he had taken in establishing the feasibility of forming a cricket club in Gargunnock. v.i.z.

- (i) 35 people had responded to a public notice by expressing a desire to join a cricket club in Gargunnock. This number included 17 boys.
- (ii) Preliminary contacts had been made with the Stirling District Council Sports' Officer, Mr A. Jones.
- (iii) An as yet unacknowledged request to the Director of Education for Central Region concerning use of Gargunnock Primary School Playing Field for cricket had been made in writing on July 26, 1983.
- (iv) Approaches to land owners in the village with centrally located fields had produced only one positive response. This had been from the Kirk Session of Gargunnock Parish Church who gave approval in principle to the contents of Appendix 1 of this minute.
- (v) Investigations of drainage and site clearance of the North end of the Glebe had proved encouraging.

Mr Henderson then drew the attention of those present to a site plan of the proposed area for cricket, (on display during the meeting).

CONSIDERATION OF DRAFT RULES: Each section of the draft constitution tabled was discussed and the eight Rules as they appear in Appendix 2 of this minute were unanimously adopted by the meeting on being proposed by Mr J. Gearing, seconded by Mr D. Spencer.

Season 1985

Fund-raising for the season during Autumn and Winter succeeded in producing £357 from a Treasure Hunt, a Coffee Evening /Jumble Sale, a Wildlife Evening, and a Daffodil Draw. The end of year closing balance stood at £558.

In the Spring, a second concrete practice strip was laid in the school field and thereafter Softball Cricket for local primary school children was also introduced. Club ties and dark-green social sweaters were purchased.

An unsuccessful application was made to join the 3-D Perthshire League, but GVCC were encouraged to apply again when it had a home ground. Despite strenuous efforts by members to obtain lease of ground locally, only news of the possible availability of a rather small area of the local church glebe brought faint hopes of eventually playing matches in, or near the village.

With a similar fixture list to the 1984 season, 25 matches were played, away from the village again, of which 5 were won, 19 lost and 1 tied. The relatively poor record was well illustrated by opposing teams scoring 2639 runs to GVCC's 2312; their taking 184 wickets to GVCC's 150; and GVCC's average being 12.6 runs per wicket to opponents' 17.6. One new fixture venture was entry into the SCU Small Clubs' Cup where GVCC lost in Round 1 at Westquarter in May.

However, one brighter note was struck when late season the final of the Clackmannan Sixes was reached ... but subsequently lost to an Alloa Academy Teachers' side in a closely contested match.

In all, 30 players turned out for the club during the season, with Vice-Captain **John Young making 24 appearances**, skipper John Peek, 23, Kerr Henderson, 22, John Lamond, 19. **Geoff Peart** topped the **batting averages** with 24.3 from 14 innings, followed by Duncan McIntosh with 22.4 from 16 innings. **Bowling honours** went to:- **John Henderson** 83/278/21/ 13.3; Duncan McIntosh 84/226/16/ 14.1; John Peek 142/18/473/31/ 15.3; John Young 126/26/404/22/ 18.4; John Lamond 44/1/183/8/ 23.0
