Jon reflected that a number of subscriptions were outstanding and that he would chase these up.

4. **Ground Lease**

Mr Scott recorded that the Ground Lease had expired, however he was prepared to extend the lease by a further 5 years. Mr Scott requested that the lease be contained to the ground actually utilised by the club and that the club bear the costs of the lease. Both these requests were agreed to and a vote of thanks was extended to Mr Scott. It was agreed that the current Club Captain, Treasurer and Club Secretary would act as Trustees to sign the lease.

5. **Grants**

Steve Dolman had arranged a £1000 grant from Stirling Council, which had been used for the repairs to the clubhouse. Our application for a grant to purchase a tractor and or equipment had been declined due to the second hand nature of the equipment. He believed we might be successful if the equipment was termed "nearly new".

6. **Covers**

The covers were discussed again and it was decided to sell the covers as the club had not used them for a few seasons.

7. **Chairman's Remarks (Mr W.Scott)**

Mr. Scott welcomed all members and remarked on the successful season. Mr. Scott thanked the members for keeping the grounds tidy and for all the work undertaken during the year.

**9. Match Secretay's Report (Mr M Everett)**

Martin sent a note that he had not had confirmation on our place in the league although it was thought that we had won the league. Given the poor reliability of the league it was agreed to remain in the league if we where promoted otherwise we would arrange a season of friendly fixtures.

There was discussion regarding our future commitment to the village cup especially in light of the merger with Wisden. It was decided by a majority vote to discontinue this year.

A tour was discussed Martin under took to investigate.

Minutes where presented and accepted.
  
3. **Chairman's Remarks (Mr W.Scott)**  
Mr Scott welcomed all to the meeting and thanked all the players and members for their efforts in the year. He was pleased with the condition of the grounds and with the work carried out on the Clubhouse.
  
4. **Treasurer's Report (Mr J Cross)**  
Jon was unable to attend; he sent notes to the meeting and a summary of the financial position (attached). Peter Sutherland will be liaising with Jon in order to finalise the accounts and bank any match fees collected.  
  
It was suggested that a few officials hold a finance meeting once the accounts where drawn.  
  
All financial issues where to be sent to Peter Sutherland from now on.
  
5. **Match Secretary's Report (Dr M Everett)**  
We had left Forth Union Div 2 on its demise and had enjoyed a season of Friendlys. It was agreed that this had worked well and that we should do the same next season. The tour was considered successful and it was agreed that a repeat would be planned. (Alternative accommodation was recommended). We did not play in the Village Cup. Debate again as to the future.
  
6. **Secretary's Report (Mr M Parry)**  
A few outstanding bills need to be paid; these would be forwarded to Peter Sutherland. We need to confirm if Stirling County had been billed and paid.

## **7. Team-Secretary's Report**

We had a good mix of players and fielded 45 players in the season of these 18 played in 5 or more games. We would need to recruit new players for the season to strengthen the numbers.

## **8. Ground Convenor's Report (Mr G Nar is)**

Graham reported that he was satisfied with the Ground arrangements for the season. Martin Parry taking care of the square and Ivan Condon the outfield.

A big vote of thanks to all who helped in the work done on the Clubhouse with a special mention of Robert Weir and Chris Whaley carried out most of the work.

The new Tractor was working well but required a seal for the PTO shaft and some additional work, Graham undertook to put in hand.

The generator was broken, it was agreed to replace it and to acquire a Tea Urn for the next season.

Martin Parry had an offer of a container from Loch Katerine. It was decided that a proper base would be required and that we should attempt to locate railway sleepers for this purpose.
