Tractor gangs had been fixed, this highlighted the need to keep the grass short. The walkway in the clubhouse was collapsing and needed attention.

The water leak had been repaired by the efforts of Graham and John Shaw and a new toby had been installed.

Martin had sourced a container however we needed to arrange transport and would need to wait until the ground was dry enough for delivery.

The bin needed to be emptied after every game, could the captain please assign this duty to different players.
