

HELPING OUT

A number of you have offered your assistance in helping any way you can. We will need all the help we can get both before and during the Gathering. We already have 7 pipers, a master piper, and two original pipe compositions. Let us know if you have some MacIntyre memorabilia that can be safely transported and displayed.

Someone has offered items for a time capsule and there is an expert in holding golf tournaments as well as a golf professional who will offer lessons for a donation to junior golf.

There will be books about MacIntyres and authored by MacIntyres for your perusal and purchase (order). Bring your genealogy because you just might strike it rich.

I would like the artists among you to bring at least one sample so we can have an art exhibit at the tent, banquet and ceilidh.

We have at least one Highland dancer and one athlete who will be competing. The Taynuilt Games Committee will waive the competition fee for MacIntyre competitors.

Services have been offered by two professional photographers and a video documentarian.

There are a number of physicians, nurses, and clergy (for the ecumenical service on Sunday).

Whatever your particular skill, let us know so we can see how you can assist. We will not insist on your helping or burden you if you do offer. Our primary goal is for you to thoroughly enjoy the Gathering. Many hands make light work.

I am looking for some local administrative assistance by someone who isn't a MacIntyre. So far, no luck but luck has been good to me so far and I won't turn down a little more.
