

## TRAVEL PLANS – May 24, 2008

Please check the information next to your group name. If your group is missing or the information is not accurate, send corrections/additions to: [martin.macintyre@juno.com](mailto:martin.macintyre@juno.com).

Below are the travel plans for 212 attendees representing 68 groups. Most of the incomplete plans are from British Isles attendees who have lodging reservations but may not feel the need to make travel arrangements this far ahead. Only 7 groups (12 attendees) from overseas have yet to submit their travel plans.

The travel plans are listed next to the name of the group contact person. The darkest horizontal lines separate groups and a finer line separates subgroups with different travel plans.

The departure date is from MacIntyre Country and doesn't include the Post-Gathering Tour.

Some have two lodging listings (self-catering + B&B the final weekend).
